## The Avatar of What Is

I want to transform people's participation in... Reality (Itself, and altogether)—and help bring them to a new way of life, out of the "dark" period in which humankind is presently immersed.

— Avatar Adi Da Samraj

# *The Incarnation of Timeless Reality*

CAROLYN LEE: The intuition of and longing for a culminating Intervention of the Divine is threaded throughout human cultures, not only in the fibres of ancient Spiritual understanding and prophecy, but in every way that humankind has reached beyond commonplace existence to know and celebrate what is Great—in all the transcendent artistic, intellectual, and sacred gestures of great men and women for thousands of years. But the urgent need for Divine Intervention in our time is self-evident. We are looking at the effects of unbridled technology in the hands of unilluminated beings fast destroying the very roots and planetary home of human culture...

His Divine Presence, Avatar Adi Da Samraj, whose life and work is described here, has indeed come as the incarnation of the timeless Reality, to enable human beings to know that Reality directly, and thus to “transcend the limitations of history”—or all the limitations of human knowledge and action—while yet participating fully in a human life...

In Sanskrit, the word “Avatar” means “One who has crossed down”. A unique Intervention is indicated—not merely a man or woman who has attained enlightenment by Spiritual effort, or even a reincarnating Master, but a direct appearance, in physical form, of the One Supreme Reality and Infinite Consciousness.

## AVATAR ADI DA SAMRAJ:

The Diurnal Fuse yet Crackles overnight, and will Make an inevitable Dawning... I Am here and everywhere (now, and forever hereafter) to Shine and Do and Magnify This Divine Light of Truth, and to Utter and Shape and Magnify This Divine Word and Silence That Breaks the heart, and to...

Be The “Bright”... That (now, and forever hereafter...)

Will Awaken every one (and all, and All).

## *A Transformation of Human Consciousness*

**RUCHIRADAMA QUANDRA SUKHAPUR:** Over the many years of His Teaching-Work and Blessing-Work, as He made His Divine Avataric Revelation to all, Avatar Adi Da spoke many times about the unique nature of His embodied existence. As Avatar Adi Da explained, His Appearance on Earth as the Divine Avatar in human Form was the unprecedented Intervention of Reality Itself, Conjoined with a human body-mind—in order to be able to Communicate the Pure Truth and the ultimate Way to living beings...

Altogether, the manner in which Avatar Adi Da related to His own bodily existence was utterly unlike the conventional human relationship to bodily life. Avatar Adi Da always Demonstrated Absolute Freedom from any bondage to bodily existence—any insistence that it continue, or any desire to dissociate from it. His bodily (human) Form was simply a “device” (as He put it) for Communicating the Divine Teaching of Truth and for Establishing His Radiation of Transcendental Spiritual Blessing in the cosmic domain. Avatar Adi Da said that it was impossible to know how long it would be necessary for His existence in bodily (human) Form to continue—but that it would inevitably continue until His Work was Accomplished, and then it would come to a simple and sudden end.

## *An Eternal Invitation*

RUCHIRADAMA QUANDRA SUKHAPUR: The Event of Avatar Adi Da is universal. He left humankind with the Greatest Gifts so that His Work could be an eternal and living Teaching, an eternal process, and an eternal relationship. He Gave all His Divine Avataric Revelations on how to transcend the limitations of history, on how to comprehend all that came before, and how (by surrendering all of the past) to enter the relationship to the final Incarnation of Reality Itself—now, and forever into the future. This is what you are invited into by Avatar Adi Da Samraj.

### **Who is Avatar Adi Da Samraj?**

Avatar Adi Da's entire human lifetime was a unique demonstration of His Eternal Form—the State He calls the "Bright", the Conscious Light that is Reality Itself. From His birth on 3 November 1939 on Long Island in New York, to His passing from the body on 27 November 2008 on the Island of Naitauga, Fiji, His Life is the story of the Intervention of the "Bright" in human time.

The fruits of Avatar Adi Da's Lifetime are the establishment of a new and unique possibility for the transformation of all beings and the world itself. His Eternal Revelation is of the Divine Reality, which is always Shining—like the sun—as the Prior Condition of every one and every thing.
